

# RESIDENTIAL PERMIT APPLICATION

(ALL INFORMATION IS REQUIRED)

**Plans Shall include:**

- (2) sets of plans to scale, (1- 11" x 17" and 1 electronic copy if available). Plans must list total square footage of finished and unfinished space for every level and garage. They must also list square footage for decks, porches and entry ways. Plan must also show exterior elevations, including all sides of building and all openings in walls such as doors and windows.
- A plot plan containing the legal description, site address, and name of builder. The plot plan must also show the proposed building footprint including distances to property lines, streets, roads, alleys, and easements. It must also include lot dimensions, lot square footage, driveway location and location of existing street light poles, junction boxes, hydrants, storm inlets, and utility boxes in the lot, boulevard or curb.

Received:

**Other Submittal Requirements:**

- A road approach permit must be submitted.
- The address of the property must be recorded.
- Provide a copy of an approved Septic Permit.

A member of the Building Department will inform you when the permit has been created. Your signature is required when you pick up the permit. The property must be clearly identified with an address prior to inspection. Any information the applicant has set forth in this application that is false or misleading may result in the rejection of the application or revocation of the permit. A condition for the issuance of this permit is that the proposed construction will comply at all times with the plans as approved by all applicable government agencies.

I hereby declare and affirm that all matters and facts set forth in this application are true and correct to the best of my knowledge, information and beliefs.
