RATIFY AGENDA

MOTION BY: Commissioner Messer **SECONDED BY:** Commissioner White

To ratify the agenda as presented

DISPOSITION: All voted aye. Motion Carried.

2024 COUNTY BUDGET DISCUSSION

Richard reviewed the budget changes made since the last meeting. The 2024 contribution sheet was also reviewed and the lines in green are organizations we have not received requests from. Franchuk states Roosevelt Custer is the same as last year on the contributions sheet - \$33,670.00. Richard asked about DCS Imagination Library if the commission would like to go with the same amount. The commission would like to see requests from these organizations. Messer asks why this isn't in our library mill, is this something separate and distinct? Richard thought it was the mobile unit and she would do some checking on it. Richard asks about USpire and if the commission wants to continue that contribution as they had asked to be part of the regular contributions, but she hasn't received anything for this year. Messer is in favor of continuing if they had asked to be part of the regular contributions. Richard asked about the Stark County Historical Society, and they were working on some projects but believe they have finished those projects and have not come forward this year. Richard will check to see if she can get an update from the historical society. Per Richard, the Belfield Billings Ambulance \$230,000.00 could be decreased as it was \$170,000 last year and depends on how busy the ambulance is.

GENERAL REVENUE FUND AND EXPENDITURES

Governing Board: The only change was the cell phone line was lowered.

Human Resources: no change from the last meeting.

Auditor: Richard states she spread the \$1.25 raise between her staff based on where she felt they belonged, but the Deputy Auditor change would need to be approved by the commission.

MOTION BY: Commissioner Messer **SECONDED BY:** Commissioner Clarys

To fund the Deputy Auditor position at \$77,000.00.

DISPOSITION: Roll call: Commissioners: Messer - aye, Clarys - aye, Marsh - aye, White - aye, Chairman Franchuk - aye. Motion Carried.

Planner: no change from the last meeting.

States Attorney: Richard states the commission will need to decide on the proposed department head's salary. Messer believes the proposed budget reflects the market.

MOTION BY: Commissioner Messer **SECONDED BY:** Commissioner White

To fund the State's Attorney salary and the 1st Assistant salary at \$140,759.00.

DISPOSITION: Roll call: Commissioners: Messer - aye, White - aye, Marsh - aye, Clarys - aye, Chairman Franchuk - aye. Motion Carried.

Messer questioned how new staff hires play into the wage increase, are they automatically triggered to get the full amount or are they prorated? Clarys states if you have a late hire, it seems maybe they haven't earned it yet, but we still want to be fair. White thinks we should keep it in the same cycle and then prorate it.

MOTION BY: Commissioner Messer **SECONDED BY:** Commissioner White

To set the raise for the new position at the State's Attorney's office funded at 50% of the \$1.25 (\$1,300 annually).

DISPOSITION: Roll call: Commissioners: Messer - aye, White - aye, Marsh - aye, Clarys - aye, Chairman Franchuk - aye. Motion Carried.

Recorder: no changes from the last meeting.

Tax Director: no changes from the last meeting.

Custodian: Messer states the recommendation from the department head for Assistant Fiedler is outside of the \$1.25.

MOTION BY: Commissioner Messer **SECONDED BY:** Commissioner Marsh

To fund Assistant Fiedler's salary at \$68,000.00, \$34,000 for the Courthouse, and \$34,000 for the Social Service Building.

DISPOSITION: Roll call: Commissioners: Messer - aye, Marsh – aye, White - aye, Clarys - aye, Chairman Franchuk – aye. Motion Carried.

Elections: no changes from the last meeting.

Public Safety: Lee states that 4 of the Sargent salaries are not correct on the current budget, those salaries need to change but those numbers don't affect the total of the budget. The salaries have been adjusted based on performance. If the 2nd detective is approved, then the on-call pay corporal detective line won't be needed. A corporal will be promoted on each shift and there will be an extra \$2,000 raise for each of those. Messer asked about the back-to-blue payment. Lee advised it will be a lump sum for each officer, approximately \$1,500 per licensed officer, it will come in a bulk payment, and we are looking to disperse it per the evaluations. Richard asked about Lee's salary and if that needs to be set as it is above the \$1.25 raise. Messer states if we approve the bulk sum, do we allow the department head to set all salaries, including his? Lee states he doesn't set his pay outside of his administration raises. Dickinson is the 5th biggest city in ND and there are 16 other Sheriffs in the state that make more than he does. Marsh is good at leaving that salary as it was presented.

Disaster Emergency Service: Decker states training should be increased by \$500.00. She also states that an assistant was hired at \$44,408.00. Dispatchers got moved from the LEC budget and would like to set that at \$175,000.00. Clarys says he spoke with Decker regarding wages yesterday and she was hired in September.

MOTION BY: Commissioner Clarys **SECONDED BY:** Commissioner White

To fund Decker's salary at \$61,664.00, reflecting a \$1.00 raise from her initial hire.

DISPOSITION: Roll call: Commissioners: Clarys - aye, White – aye, Marsh - aye, Messer - aye, Chairman Franchuk – aye. Motion Carried.

MOTION BY: Commissioner Clarys **SECONDED BY:** Commissioner Marsh

To fund Assistant Banyai at \$45,500.00, reflecting a \$0.50 raise from the initial hire.

DISPOSITION: Roll call: Commissioners: Clarys - aye, Marsh – aye, White - aye, Messer - aye, Chairman Franchuk – aye. Motion Carried.

911: Decker states the training should be at \$5,500.00 and there is another training below and to bring that up to \$3,500.00 and put the assistant at the \$0.75 raise and move the dispatchers to \$175,000.00.

Information technology: Decker proposes changing the Computer and Hardware update line from \$130,000 to \$30,000 and then using \$70,000 in Arpa funds. Clarys states that \$130,000 has been paired down and won't all be needed. Clarys discusses the IT contract line and that is not yet an accurate number and they are currently working on what that may be, they would like to see a full-time dedicated person for our IT. He also states they currently don't plan on funding the IT coordinator line.

County Park: Richard states the County Intern was added and the special projects will need to be funded. Messer doesn't believe that special projects need to be in the budget. Richard states those are proposed under the special projects fund, the commission would need to individually approve those. Clarys asked where the funding for the bathrooms would come from. Richard advises that is under the special projects account. Messer doesn't believe those special projects should be on the budget, as it could be construed as approved. They should be on a wish list as we aren't approving \$8.7 million in special projects today. Clarys agrees. Richard states she can put it on a separate sheet. Clarys questioned the intern. Heiser states previously a road employee was doing work at the fairgrounds, but it would be cheaper to have an intern that isn't benefited.

County Road and Bridge: Heiser states the equipment lease should be at \$250,000.00 and is showing at \$150,000.00. Richard will check on that.

County Road Unorganized: Richard discusses the revenue coming in vs. expenditures and this budget will be upside down. The graders and equipment are at \$2.1 million, how are we funding those graders? Heiser states we had talked about some Arpa funds. Richard suggests we could pay for 2 blades from Arpa funding and get that used up in 2024. Messer states when we opened the bids, we asked and Heiser

said there should be funds left over. Heiser responds there should be funds left over. Messer thinks we need to take a look at the 3 road funds and provide some consistency on how we fund the roads. Messer asks if we have an estimate of what will be left at the end of 2023 that we can roll into 2024. Heiser believes there should be sufficient funds to roll, as of June there was \$3.3 million in County Road and Bridge and County Unorganized was \$4.4 million.

Highway Distribution: Heiser reports they are still down 2 staff, but those positions are in the total number for salary.

Capital Improvement: no changes since the last meeting.

Jail: Richard states Sunrise Youth will be moved to the general and JPA Paramedic for Billings County is already in the contribution amount and can be removed.

Emergency Budget: no changes since the last meeting.

Veterans Services: no changes since the last meeting.

County Agent: Clarys states Schulz was moved up above the \$1.25 as the new hire was brought in higher than they initially expected putting her close to the long-standing employee.
